WRITING (25 minutes)

A new shopping centre has been built in your town. As a reporter of your school magazine you have to prepare a report on it, providing its readers with **the following details**:

- introduction
- the location of the shopping centre
- the design of the shopping centre
- the number and variety of shops and outlets
- other services which the shopping centre offers
- conclusion

Write your report in 100-120 words.

Westwood shopping centre.
Yesterday Westwood shopping centre was opened. There were lots of people wanted to buy something special in the new shopping centre.
This centre has four floors and it's really big!
In the shopping centre there're many different shops: gift shops, clothes shops, toy shops and etc. Also there are two supermarkets and the small shop with fresh fruits and vegetables, called "Nature gifts". In fact the centre has 200 different shops!
Shopping centre has ~~two~~^{three} restaurants, one sports area and one swimming pool on the roof! Also shopping centre offers relax area and the small playground for children.
I really liked Westwood shopping centre and I advise you to visit it on this weekend.

- conclusion

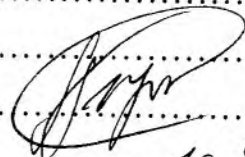

Write your report in 100-120 words.

Hello, dear students of the fourth school. Today I'm going to make a report on a new shopping centre, that was opened last Friday.

The new shopping centre is located near the main square. This ~~safety~~ is a very comfortable location, because it is close to the most important and popular buildings of our city. This shopping centre is designed pretty well. It has three floors, a big hall and a fountain outside the building. Also, it has a giant parking lot.

There is a big variety of shops. The shopping centre has around four clothing shops, three cafes, and a lot of other shops.

If you like shopping, this is the best place to do it. Spend your money!

~~A new shopping centre has been built in your town~~ You are a school reporter, and there is a short-story competition you are interested in. Write a story in 130-150 words of your own in an appropriate style. You should begin your story with the following sentence: "The bus I took home was overcrowded".

In your story you have to describe:

- about your own actions.

You should end your story with the following sentence: "There was nothing I could do about it".

YOU SHOULD NOT COUNT THE WORDS OF THE GIVEN SENTENCES.

Bus 15 downtown

The bus I took home was overcrowded.

I didn't expect that, because usually this bus is half-empty. The reason was that on that exact day there was a very hyped match between two very strong ^{baseball} teams - Green Snakes and Red Dragons. And, for some reason, it took place in our town. As my dad told me later, their buses had crashed into each other, so that's why they were using a regular one. Everything was calm, but then some of the Snakes said something that Dragon's leader didn't like, they started arguing and in couple of minutes the whole bus became a one big yelling can on wheels. It almost turned into a fight, but suddenly one old man, who appeared to be a famous baseball player of his time, rised up and calmly said: "Back in my days, we were playing for fun, not for earning new enemies." For some reason, everyone who had stopped screaming ~~of~~ looked like they were ashamed of themselves. The rest of the way to my home was calm. That looked pretty funny. While this was happening, I was just sittins still, these guys were just to big to listen to me.

There was nothing I could do about it.

Bus 15 downtown

The bus I took home was overcrowded.

There were people with briefcases who looked tired after a long day at work, high schoolers in their best party clothes, some old bespectacled ladies and the most handsome guy I have met in my life.

As I was trying my best not to stare at him, while other passengers' voices were blurring in my head like in a Hollywood film, he exclaimed, "Oh my goodness, there's a bee in your hair." He was looking at me, and around us the panic started to erupt. People with briefcases ~~starte~~ were waving them at me, trying to protect themselves, the girls of my age were loudly squeaking and the aged were squinting their eyes in attempts to track the insect. For a moment, I was dumbstruck because I ~~didn't hear any buzzing, in fact, nor did I~~ ^{did not} feel a bee in my hair, even though I searched for it. It was then when I met his smiling eyes and a broad grin.

I was falling for that sparkle and his humor.

There was nothing I could do about it.

Bus 15 downtown

The bus I took home was overcrowded.

I knew it was going to no good. It was really hot inside. I had three huge bags with me and had no air to breathe. People around me were yelling, shaking on their feet, trying to stretch up for a gasp of fresh air. An adult man next to me had a small dog on his arms. The dog sniffed me and started barking. This sound fulfilled all my head, and everything turned into the darkness...

When I woke up, I realised that I had blacked out. And then I realised that people around ~~me~~ were worrying about me! An old woman gave me a bottle of water. Some men, including the one with the dog, were holding me and my bags. "I'm glad you're OK!", said someone. I felt really grateful and thanked everybody... And there my bus stop was.

That day I learned that I had a lot of kind people around me.

There was nothing I could do about it.

As you know, a new shopping centre has been built in our town! It is located on the Mira st., near the Langed cinema. This shopping center has been ~~built in~~ designed by Virgil Abloh, in minimalistic style. There are lots of shops ~~at~~ ^{for} where every one can find something for himself. For teens there are street wear shops like supreme, vans, palace, off-white, ^{только для подростков}. There are also shops of high class brands, IKEA supermarket, food court with mcdonald's, Burger King, taco bell and wendy's, ~~I think that all of you ^{should} visit it because~~ shops for geeks like game stop and hottopick, apple center and trampoline park!

I recommend you visit this shopping center, because you will have lots of fun and buy great things there.

..... Hello! Today I want you to recognize about the new shopping centre.

..... There is a city mall opposite the post office. To reach it you need to walk across the road and here it is. It looks like huge white building with some bright colours on its surface, like red, orange and yellow. In the shopping centre there is a big quantity of shops in which you can buy new shoes, clothes, sport equipment and something else. For kids there are playgrounds. ^{Of course} there are many cafes at the foodcourt. The mall's services can offer you a hair cut, spa, going to the cinema and etc.

..... I recommended this place for going out on the weekend with friends or with family. Hope you enjoy it.

Greetings to everyone, and today I will tell you about ~~the~~ new shopping centre.

It has been built at the Maple street, 22, next to an old library, if you interested how to find it. Though it's hard not to notice that building - there's at least four stories and it's roof is pretty easy to seen from the distant.

The shopping centre is designed in modern style, and there's also a lot of mirrors. In that shopping centre you can find more than twenty five different shops, such as book shop, flower shop, Grosery, pet's shops and a cafe at the top of the building. And there's something else, what I can't forget to mention - shopping centre also offers to visitors haircut and spa salons.

This centre is already opened, waiting for the visitors.

Bus 15 downtown

The bus I took home was overcrowded.

I stood near the window. There was young man and mechanic behind me. About thirty minutes after I came to the bus, driver stopped it and said that one of the passengers haven't paid for the road. And he will not continue the road while one of the people couldn't say that "I didn't pay". Young man said: "I think the mechanic haven't pay". Mechanic said that he paid. They started to argue. I didn't like it because it was already 8 a.m. and my school lessons starts at 8:15. Then they started to fight. "Oh my god they're so stupid", I thought, I was late, so I said that I wasn't pay for the road. But I paid! The driver said "get out from the bus". I didn't know what to do! But I am so shy to say that I paid for the road, so I got out from the bus, because...

Bus 15 downtown

The bus I took home was overcrowded.

It was 6 p.m. so people of different age returned home. A little skinny girl with curly ponytail was staying nearby the window. She seemed to be really sad. Maybe a bad mark or argument with classmate, who knows? There was an elderly couple, husband and wife. Probably, they were at work. Noisy students was sitting in the end of the bus and chatting about something.

Suddenly, when the bus stopped to pick other people one unusual man came in. He had a smile on his face and he had a lot of flowers in his arms. It was about -10°C! Moreover, that man started to give flowers to everybody. For a rose for sad girl, a bunch of daisies for elderly couple...

All the passengers were widely amazed. We all could not understand for what purpose? The "sad girl" wasn't sad anymore.

It was possible to read real happiness in her eyes. The couple looked full of love and the students kept silence.

In the end, when all people were given a good mood and flowers, this gorgeous man just ran out of the bus. I wanted to talk with him and tell him that it was so magical and fantastic, but he left.

There was nothing I could do about it.

Bus 15 downtown

The bus I took home was overcrowded.

It was filled with different kinds of people, such as students going home from school, or workers going home after a long day of hard work. It was a usual bus ride so everybody wasn't paying attention to anything other than their smartphone and books. Suddenly, I felt ~~like~~ some weight on my right shoulder. I turned my head and I saw an old man ~~who was to that~~ looked very tired and was pale. I immediately understood that he required medical help so I shouted to bring all the people's attention to me and told everybody what happened. People in the front got the driver to stop the bus. And as I was calling 911, other people helped the old man to lay down. In the end everything turned out well and the old man got the medical attention he needed.

I tried to calm down the other people who have panicked, but ^{it didn't work.} There was nothing I could do about it.

Bus 15 downtown

The bus I took home was overcrowded.

To be frank, I had an awful day. Me and my best friend had an argument and now she doesn't want to see me anymore. And now this bus is full of people, I can't even breathe! Oh, I'm feeling so annoyed! Wait... is it somebody stepping on my foot?! I turned around and saw my bestie. I can honestly say that it was the most awkward moment in my life. We just stared at each other and... apologized simultaneously! The whole bus was laughing because of us! In this very moment the driver stopped and an old lady and her huge black dog entered the bus. These two sat in front of us. "Darina," - told my friend - "I baked you a cupcake for you to forgive me!" She was going to give it to me when suddenly a dog, that I mentioned earlier, jumped at her and ate the whole cupcake! I was shocked and overwhelmed, however it was so funny that I was just looking at the dog chewing my cake and smiling.

There was nothing I could do about it.
